2021 Annual Report

*How your investments are helping at-risk youth become responsible
and productive members of **our** community*

2021 in Review

In 2021, we continued to persevere and move forward at UMYH to support our youth both on and off campus. The ways that you stepped up for our organization not only with monetary support, but with efforts like catered dinners for the youth, AmazonSmile donations, and campus cleanup truly made a difference! These kind gestures, along with so many others, help us strengthen our programs and initiatives to show young people that they do matter.

From all of us at UMYH, we couldn't have done this without you! Thank you for your charitable support in 2021.
